DRIVEN TO DISRUPT

# DRIVEN TO DISRUPT

**“YOU DON’T DISRUPT THE INDUSTRY BY DOING IT THE SAME WAY IT’S ALWAYS BEEN DONE.”**

The team at Voyager Electric Vehicles is quickly building a reputation for doing things different. You might even call it “reverse engineering the golf cart industry.” That’s because for this team of solution-minded entrepreneurs, breaking the rules of how it’s always been done is how they roll - literally.

“Voyager EV is different because we started with the end in mind,” explains Andy Ilg, Chief Operating Officer and Lead Engineer. “It’s like reverse engineering but for an entire industry.”

The Voyager EV brand reflects the team’s unwavering belief in defying the status quo and pursuing what others call impossible. Their high-performing lithium-powered models - the Commander, Patriot, and Explorer - were specifically designed to create a lineup of electric vehicles that meet the needs of a wide variety of consumers.

The entire Voyager EV team is passionate about bringing a rocket-scientist-approved electric vehicle into the industry. But even more so, they are passionate about providing unparalleled support to their quickly growing dealer network. Because that, they believe, will raise the standards for the entire industry and change the game for good.

With the team’s dedication and experience, plus their electric vehicles’ performance and position in the market, they are clearly, as they like to say, ‘driven to disrupt’ Built in America, by Americans. Join the adventure. Drive Voyager Electric Vehicles.

# SPEC SHEET: COMMANDER 2026

## Voyager Commander- Forward-Facing Flat Back 4-Passenger Non-Lifted

**Dimensions:**

LxWxH: 119 in. x 52 in. x 80 in.

**Weight:** 992 lbs. (without battery)

**Battery:** ECO Lithium 70.4-volt 105Ah

**Motor:** 5KW AC Motor

**Controller:** 400 amp Controller

**Top Speed (MPH):** 19.5 / 25.0 (Golf Cart / LSV)

**Street Tires:** 225/50R-14, 25 PSI

**Chassis:** Powder Coated Steel Frame

**Drivetrain:** 12.31:1 Geared Rear Differential

**Charger:** Onboard

**Molded Plastic Roof Top:** Black

**Suspension:** Double A-Arm Front Independent

**Instrumentation:** Fully Integrated Digital Instrument Display, plus Sound System and Backup Camera

**Lights & Signals:** LED Head+Tail Lights, Brake Lights, Signal Lights

**Windshield:** DOT Foldable Acrylic

**Flooring:** High-Density Polyethylene

**Brakes:** 4-Wheel Hydraulic Disc Brakes, plus ActivBrake™ Parking Brake

**Safety:** DOT Retractable Seatbelts, Roof Handles

**Mirrors:** Side-Mounted Foldable Mirrors with Signal Lights

**Other Features:** Premium Upholstered Seats, Insulated Storage, USB/USB-C Charger, Wireless Cell Phone Charger, Metallic/Matte Premium Paint Colors

*All specifications listed should be used for reference only and are subject to change.*

# SPEC SHEET: PATRIOT 2026

## Voyager Patriot - Non-Lifted 4-Passenger / 6-Passenger

**Dimensions (LxWxH):**

4P: 118 in. x 51 in. x 79 in.

6P: 148 in. x 51 in. x 79 in.

**Weight:** 960 lbs./1,102 lbs. (without battery)

**Battery:** ECO Battery 70.4-volt 105Ah

**Motor:** 5KW AC Motor

**Controller:** 400 amp Controller

**Top Speed (MPH):** 19.5/25.0 (Golf Cart/LSV)

**Street Tires:** 215/50-12, 35 PSI

**Molded Plastic Roof Top:** Black

**Brakes:** 4-Wheel Hydraulic Disc Brakes,  
plus ActivBrake™ Parking Brake

**Suspension:** Double A-Arm Front Independent

**Chassis:** Aluminum Frame

**Drivetrain:** 12.31:1 Geared Rear Differential

**Charger:** Onboard

**Windshield:** DOT Folded Acrylic

**Instrumentation:** Fully Integrated Digital Instrument Display, plus Sound System & Backup Camera

**Lights & Signals:** LED Headlights, Tail Lights, Signal Lights, Brake Lights, Projector Lights

**Flooring:** Full-Traction Aluminum

**Safety:** DOT Retractable Seatbelts, Roof Handles

**Mirrors:** Side-Mounted Foldable Mirrors with Signal Lights

**Other Features:** Premium Upholstered Seats, Gussi Steering Wheel, USB/USB-C Charger, Flip-Down Rear Seat with Insulated Storage, Metallic/Matte Premium Paint Colors

*All specifications listed should be used for reference only and are subject to change.*

# SPEC SHEET: PATRIOT 2026

## Voyager Patriot - Lifted 4-Passenger / 6-Passenger

**Dimensions (LxWxH):**

4PL: 118 in. x 51 in. x 81 in.

6PL: 148 in. x 51 in. x 81 in.

**Weight:** 960 lbs./1,070 lbs. (without battery)

**Battery:** ECO Lithium 70.4-volt 105Ah

**Motor:** 5KW AC Motor

**Controller:** 400 amp Controller

**Top Speed (MPH):** 19.5/25.0 (Golf Cart/LSV)

**All-Terrain Tires:** 23x10x14

**Molded Plastic Roof Top:** Black

**Brakes:** 4-Wheel Hydraulic Disc Brakes,  
plus ActivBrake™ Parking Brake

**Suspension:** Double A-Arm Front Independent

**Chassis:** Aluminum Frame

**Drivetrain:** 12.31:1 Geared Rear Differential

**Charger:** Onboard

**Windshield:** DOT Folded Acrylic

**Instrumentation:** Fully Integrated Digital Instrument Display, plus Sound System & Backup Camera

**Lights & Signals:** LED Headlights, Tail Lights, Signal Lights, Brake Lights

**Flooring:** Full-Traction Aluminum

**Safety:** DOT Retractable Seatbelts, Roof Handles

**Mirrors:** Side-Mounted Foldable Mirrors with Signal Lights

**Other Features:** Premium Upholstered Seats, Gussi Steering Wheel, Fender Flares, USB/USB-C Charger, Flip-Down Rear Seat with Insulated Storage, Metallic/Matte Premium Paint Colors

*All specifications listed should be used for reference only and are subject to change.*

# SPEC SHEET: EXPLORER 2026

## Voyager Explorer - Non-Lifted 4-Passenger / 6-Passenger

**Dimensions (LxWxH):**

4P: 124.5 in. x 47.75 in. x 76.75 in.

6P: 152 in. x 47 in. x 75.5 in.

**Weight:** 950 lbs. / 1,102 lbs. (without battery)

**Battery:** Lithium 48-volt 105Ah

**Motor:** 5KW AC Motor

**Controller:** 400 amp Controller

**Top Speed (MPH):** 19.5 / 25.0 (Golf Cart / LSV)

MSRP \$595 \*Commander only

**TOW HITCH**  
MSRP \$345

**RUNNING BOARDS**  
MSRP \$295 \*Patriot only

# DEALERS-FIRST APPROACH

“Our goal is to support our dealers in a first-class way,” says Jeff Hathaway, Chief Executive Officer and Head of Sales & Client Relations. “We know that when we help enough others win, we will eventually win too.”

They call it their Dealers-First Approach. It’s more than just a loose agreement; it’s a firm commitment with their dealers that they’ve got their back - in the form of Two-Year Warranty coverage including parts and labor, a full stock of replacement parts if needed, engineering expertise to help troubleshoot any repairs, sales and marketing resources, designated account managers, and more.

“We are hyper-focused on creating win-wins with our growing dealer network,” says Andy Ilg. “This is a long game for us, and we want everyone to see that from our very first handshake.”

The entire Voyager team is passionate about bringing a rocket-scientist-approved electric vehicle into the industry. But even more so, they are passionate about providing unparalleled support to their quickly growing dealer network. Because that, they believe, will raise the standards for the entire industry and change the game for good.
