GAME CHANGER™ CREW HVAC 4x4 EPS

STARTING MSRP
$39,950
plus destination charge

COLOR OPTIONS: White | Black | Realtree Camo (optional)

POWER

Motors	Dual AC brushless
Max Horsepower	60 HP (4kW frt/4kW rear)
Electric System	72 volt
Battery	15.3 kWh lithium, maintenance free
Transmission	Dual direct drive motors
Final Drive	Full time four wheel drive
Top Speed	25 mph

CAPABILITY

Front/Rear Suspension	Independent, double wishbone
Front/Rear Tires	28 x 9 – 14, 8-ply
Wheel Type	14" alloy
Steering	Rack-and-pinion w/ Electric Power Steering (EPS)
Front/Rear Brakes	Hydraulic discs
Ground Clearance	13.8" (max preload)
Range	25–35 miles (moderate terrain & temperature)
Turning Radius	22 ft
Cargo Bed Dimensions	29 x 43 x 10 in
Cargo Bed Capacity	600 lbs
Payload Capacity	1,450 lbs
Seating Capacity	6-person, bench seats
Towing Capacity	2,500 lbs
Lighting	All-LED head / tail / brake lighting

DETAILS

Frame	Ladder type, tubular steel
Overall Length	150 in
Overall Width	65 in
Overall Height	85 in
Est. Dry Weight	1,950 lbs
Wheel Base	88 in
Instruments	Digital speedometer, odometer, state of charge meter, direction indicator, battery voltage, electronic parking brake, keyless ignition
Color Choices	White, Black, Realtree camouflage (optional)
Additional Features	Controller app view, 12V charge power points, 1.5" rear receiver hitch, HVAC remote control, factory standard full cab with heating, ventilation and air conditioning, fender flares, front bumper

GAME CHANGER™ CREW HVAC 4x4 EPS

All-Electric 4x4 Vehicle - Full Enclosed Cab with Heating, Ventilation & A/C

The Game Changer™ Crew HVAC 4x4 EPS is a full-size, all-electric crew UTV built for work, hunting, and the outdoors. Engineered for rugged performance, it blends the strength of a traditional work vehicle with the efficiency of HuntVe's advanced lithium system. With six-person bench seating, a 600 lb cargo bed, and a zero-emission powertrain, it's ready for the job site, the ranch, or deep in the woods, on-road or off.

600lb cargo bed with 1,450lb payload capacity

15.3 kWh maintenance-free lithium battery

Dual direct-drive AC motors for maximum torque & performance

BUILT FOR WORK - Game Changer Crew HVAC 4x4 EPS

Everything about the Game Changer™ is built with purpose — to move more, do more, and last longer. With steel construction, thoughtful upgrades, and electric efficiency, this UTV doesn't just look tough, it is.

- 60 Horsepower
- High Efficiency HVAC System
- Dual Direct Drive Motors
- 600lb Cargo Bed
- 15.3 kWh Lithium Battery
- 25-35 Mile Range
- 13.8" Ground Clearance
- 14" Alloy Wheels
- 28x9-14 All-Terrain Tires
- All LED Headlights & Taillights

Workhorse Utility, Electric Intelligence

Engineered for demanding tasks with electric efficiency and rugged durability.

- 6-Person Bench Seating
- 72-Volt Electric System
- 6 Year Lithium Battery Warranty
- 1,450 lb Payload Capacity
- On Board Charging
- HVAC Remote Control
- 4-Wheel Independent Suspension

The Game Changer™ Lithium Edge

Game Changer's advanced 15.3 kWh lithium battery system delivers long-lasting performance, rapid charging, and consistent power in any environment, engineered to outlast & outperform traditional batteries.

The Only Purpose-Built Lithium System for Electric UTVs

Redefining what an electric UTV can do, the Game Changer™ brings HuntVe's trusted durability together with advanced lithium power to take on any job, anywhere.

Extended Lifespan

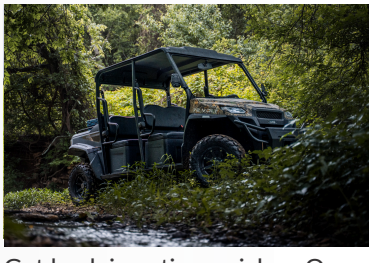

Built for the long haul, the Game Changer's advanced lithium battery system delivers reliable, long-term performance season after season.

High-Efficiency Lithium Technology

Every charge goes further. With high-capacity 15.3 kWh lithium cells, the Game Changer delivers extended range, stronger torque, and consistent power across all terrain. Upgrade to the lithium TRIPLE PACK or QUAD PACK for extended range option.

Fast Charging Capability

Get back in action quicker. On-board charging keeps you moving, perfect for busy schedules and long days. The Game Changer charge system uses a standard wall plug (15A).

Eco-Friendly Power

The Game Changer runs clean and quiet with zero emissions, delivering the performance you expect in the field. Stealth, silence and serenity - enjoy the outdoors the way its supposed to be.

The Most Reliable Electric 4x4 Performance Game Changer™

HuntVe's Game Changer series is built for unmatched durability, power, and versatility in electric off-road vehicles. Designed for both rugged work environments and recreational use, the Game Changer combines advanced electric technology with heavy-duty construction. From quiet, zero-emission operation to impressive towing capacity, the Game Changer delivers performance without compromise.

POWER

Dual-motor 4x4 system delivers instant torque for climbing, hauling, and navigating challenging terrain without sacrificing smooth operation.

DURABILITY

Rugged steel frame and premium suspension components withstand demanding conditions year-round.

EFFICIENCY

Zero-emission electric drive eliminates fuel costs and reduces maintenance, providing a cleaner, quieter ride.

VERSATILITY

Equipped for work with multiple seating and cargo configurations, making it ideal for ranches, resorts, farms, and recreational trails.
