

Product Warranty Information

VERDI Motors Inc. warrants that each new VERDI electric vehicle (EV) is free from defects in material and workmanship under normal residential or commercial use, subject to the terms and conditions set forth below:

Warranty Coverage:

The following components are covered under this limited warranty from the date of original retail delivery:

- Chassis and Frame: 10-year limited warranty
- Lithium Battery: 5-year limited warranty
- Power Source (motor, controller): 2-year limited warranty
- Other Major Parts and Components: 2-year limited warranty

Exclusions:

This warranty does not cover routine maintenance, normal wear and tear, or cosmetic deterioration due to weather, environmental exposure (sun, salt, etc.), or improper storage. It also excludes damage resulting from misuse, neglect, unauthorized modifications or repairs, unapproved parts or accessories, or external events such as accidents or vandalism. Dealers are responsible for labor and service, and warranty claims must be supported with proper documentation.

The warranty may be void if the vehicle shows signs of neglected maintenance, installation of non-OEM components, unapproved electrical modifications, or tampering with or removal of the VIN, serial numbers, or certification labels. If a defect arises during the warranty period, VERDI Motors Inc. may, at its discretion, repair or replace the defective part with new or reconditioned OEM parts. All replaced parts become the property of VERDI Motors Inc.. This warranty is the sole remedy for defects and excludes liability for indirect or consequential damages of any kind.
