

HONOR
RESHORING AMERICA

JOIN THE RESHORE REVOLUTION

**Honor is the SAFEST and ONLY ALL
Aluminum NEV and LSV on the market!**

PROUDLY MANUFACTURED IN CHARLESTON, SC!

Why is an Honor the Safest in the Industry?

- Honor is the only brand utilizing a patent pending sway bar, creating the most stable cart in the industry.
- Honor's patent pending frame has the lowest center of gravity, and is also the widest, in the industry.
- Honor's rear seat kits are the lowest in the industry, reducing the center of gravity even further.

Honor is the ONLY brand:

- Using a permanent magnet motor, increasing battery life by 15%.
- To offer Cool Touch seats and choice of powder coat colors.
- With a dedicated HONOR APP that controls your cart.
- To use progressive coil over front suspension and rear leaf springs with a helper spring, for a more comfortable ride.

SUPERIOR AMERICAN QUALITY AND CUSTOMER SERVICE

A low-speed vehicle (LSV) is shown from a low angle, looking up at its roof and front. The vehicle has a black frame, a roof with a light bar, and large, treaded tires. The background is a clear blue sky. The text is overlaid on the image in white.

Honor LSV was created by
manufacturing experts with
over 20 years of design and
manufacturing experience.

We believe that our reliance,
as a country, on foreign
products is a national
security risk.

Honor designs,
manufactures, and
assembles golf carts
and luxury low speed
vehicles that compete in
an industry dominated by
foreign products.

Our goal is to reshore as
much product back to the
US to create American jobs,
provide a quality American
product, and give back
to our community.

We are proof that
America can compete
with foreign manufacturing!
